Dates

Wednesday, 1/16

Book orders are due!

Friday, 1/18

Make-up snow day

Monday, 1/21

Holiday - NO School!

Thursday, 1/31

Field Trip to Marbles (9:30-1:30)

This week's ELA focus will continue to be on how weather affects characters in stories. We will also discuss characters, setting, and main events. Students will record weather information on a weather journal entry. They will describe the weather, choose appropriate clothing, and illustrate an activity for that weather.

In math, the core group will continue to work on comparing quantities and 1 more/less.

The enrichment group will work on problem solving, comparing quantities, 10 more and 10 less, practice 26, and will review numbers 17-20.

How can you help support us at home?

Please be sure that you are doing the fluency activities (in your child's purple folder) with your child at least 3 times per week.

Work on sight words daily with your child!

You should be reading with your child and letting your child read to you, daily.

Playground Weather Advisory

It was cold a few days last week, and we still had some children that did not have jackets. Please make sure that your child is dressed appropriately for the weather and has a coat/jacket/sweater/sweatshirt for the playground.
