Marbles (9:30-1:30)

Friday, 2/1

Hibernation Day!

Friday, 2/8

Wear **WHITE** for
Self-Discipline.

Wednesday, 2/13

Valentine Projects
due!

Using The Snowy Day by Ezra Jack Keats as a mentor text, students will begin writing their own weather story. Each day we will focus on a different part of the story.

In math, the new focus will be on shapes and their attributes. We will break this unit into 2 parts. A pre-assessment will be given on Tuesday to determine the groups for part I.

How can you help support us at home?

Please be sure that you are doing the fluency activities (in your child's purple folder) with your child at least 3 times per week.

Work on sight words daily with your child!

You should be reading with your child and letting your child read to you, daily.

Assembly Update: If we know that your child will be recognized at a PACK assembly, you will get an email from us. Please do not feel like you need to be at every assembly.

Valentine's Day!

We will celebrate Valentine's Day on Thursday, February 14. Students should plan to bring 21 valentines, one for each student in the class, including them. **Only write who the card is from!** We **do not** write names on the front because it makes it harder for students to pass them out.

Please read the enclosed information about the Valentine Project that is due on 2/13!

Hibernation Day

On Friday, February 1, we will have Hibernation Day! Students are encouraged to wear their pajamas to school, bring a small pillow and a stuffed hibernating animal. We are going to do hibernation activities and have a special snack. Hope we can stay awake all day!
