January 28, 2019

## Dates

**Thursday, 1/31**

Field Trip to  
Marbles (9:30-1:30)

**Friday, 2/1**

Hibernation Day!

**Friday, 2/8**

Wear **WHITE** for  
Self-Discipline.

**Wednesday, 2/13**

Valentine Projects  
due!

This week students will finish their weather books.

In the math core group, we will continue to learn about shapes and how to use smaller shapes to compose larger shapes. We will also be practicing using positional words to tell where shapes are in the environment.

The enrichment math group will explore building plane shapes with a variety of materials and compare shapes using writing.

## Spring Semester Field Trips

In this week's Tuesday folder, you will find permission slips for the final 2 kindergarten field trips. Please complete the field trip forms and return them as soon as possible. The Science Made Fun field trip cost is \$8.00. The farm field trip is \$14.99. We are asking that you go ahead and pay for both field trips as soon as possible. Paying online is preferred. We appreciate your prompt attention to the forms and payments.

## How can you help support us at home?

Please be sure that you are doing the fluency activities (in your child's purple folder) with your child at least 3 times per week.

Work on sight words daily with your child!

You should be reading with your child and letting your child read to you, daily.

## Valentine's Day!

We will celebrate Valentine's Day on Thursday, February 14. Students should plan to bring 21 valentines, one for each student in the class, including them. **Only write who the card is from!** We **do not** write names on the front because it makes it harder for students to pass them out.

## Hibernation Day

On February 1, we will have Hibernation Day! Students are encouraged to wear their pajamas to school, bring a small pillow and a stuffed hibernating animal. We are going to do hibernation activities and have a special snack. Hope we can stay awake all day!
