

# Kindergarten News

Mrs. Brann/Mrs. Hannon

October 24, 2016

Thank goodness last week is in the past! It was a bit crazy with Spirit Week, early release and the Wolf Walk-a-thon. However, this week we have the excitement of the field trip.

Please remember that Monday is a make-up day for Hurricane Matthew. We no longer have a Teacher Workday Monday!

Has your student raised any money for the Wolf Walk-a-Thon since Friday? If not, what are you waiting for? You still have a chance to get family and friends to support the great things that are happening every day at Olds Elementary. If you have not turned in your walk-a-thon envelope yet, you can still turn them in next week. You can also donate online anytime this weekend. Thanks for all the support kindergarten families have gotten for the walk-a-thon. We really appreciate it!!

## Dates

Monday, 10/31

- **Make up school day for Hurricane Matthew**

## Field Trip on Friday!

Please have all students come at **regular** time! We plan to leave around 9:30 and return to school around 1:30pm. Just a reminder that parents are not allowed to ride the bus, but you are encouraged to meet at school and carpool together.

## Things we are learning that you can review at home:

- Counting to 20
- Counting by 10s to 100
- Letter identification and letter sounds (so far we have concentrated on letters A-J)
- Writing their name with only 1 capital letter
- Names of 2D and 3D shapes (circle, triangle, hexagon, square, rectangle, cube, cone, sphere, and cylinder)
- 2D shapes: how many straight sides and corners
- 3D shapes: how many faces
- Tell how 2 shapes are the same/different
- Writing numbers 1-5
