

Kindergarten News

Mrs. Brann/Mrs. Hannon

December 12, 2016

We are continuing to learn how people in other parts of the world celebrate holidays in December. We have learned about Mexico and Germany so far. Be sure to ask your children about how people who live in those countries celebrate Las Posadas and Christmas.

We will finish our math unit before Winter Break. We have been learning about number partners, and quantities that are more and less. We will be learning about measuring the length of items this week and be able to tell which item is shorter and which is longer.

Dates

Wednesday, 12/13

- K-2 Science Fair

Thursday, 12/21

- Last day of school before Winter Break begins

Tuesday, 1/3

- First day back to school after Winter Break

This is the last newsletter you will receive in 2016. I would like to take this time to wish you and your family a very Merry Christmas and a Happy New Year! I can't wait to see what the new year holds for your children and the learning that will happen in 2017!
