Wednesday, 2/13

Valentine Projects
due!

Book orders due.

Friday, 2/15

Early Release

(12:30 pm dismissal)

Monday, 2/18

Teacher Workday!

Tuesday, 2/19

Make up snow day.

This week students will continue our study on Trees. We are learning how to tell is something is living.

On Monday we will have our pre-assessment for part 2 of our shape unit. Students will be put into groups after the pre-assessments are complete.

Spring Semester Field Trips

If you have not done so already, please complete and return the 2 permission slips sent home in last week's folder. The Science Made Fun field trip cost is \$8.00. The farm field trip is \$14.99. We are asking that you go ahead and pay for both field trips as soon as possible. Paying online is preferred. We appreciate your prompt attention to the forms and payments.

How can you help support us at home?

Please be sure that you are doing the fluency activities (in your child's purple folder) with your child at least 3 times per week.

Work on sight words daily with your child!

You should be reading with your child and letting your child read to you, daily.

Valentine's Day!

We will celebrate Valentine's Day on Thursday. Students should plan to bring 21 valentines, one for each student in the class, including them. **Only write who the card is from!** We **do not** write names on the front because it makes it harder for students to pass them out.

Reminder: Valentine boxes are due on February 13th!
