

# Kindergarten News

Mrs. Brann/Mrs. Hannon

February 20, 2017

We started our new science unit on Weather last week. We will be learning about different kinds of weather, cloud coverage, and what meteorologists do at work. If you have any connections to meteorologists please let us know.

We are almost finished with our current math unit. We have focused on teen numbers (recognizing and writing correctly) and making ten (given a number, tell how many more are needed to make ten). Please make sure your child practices at home as well.

Don't forget to practice counting to 70, starting with 1 and with random numbers.

## Dates

Tuesday, 2/21

- PTA general meeting 6:30pm

Thursday, 3/2

- Dr. Seuss' Birthday

Friday, 3/3

- Dr. Seuss Celebration

## Coming Soon

Dr. Seuss' birthday is on March 2. We will be celebrating his birthday on Friday, March 3. Your child is invited to dress as their favorite Dr. Seuss character. Please be on the lookout for an email to send in things for our celebration.

Visit this link:

<http://signup.com/go/DKJLjw> to sign up to come in and read a Dr. Seuss book to the class. Let's see how many parents we can get into the classroom to read next week!
