Tuesday, 4/9

Report cards

We have been learning a lot about different kinds of trees, including how much sun and water they need and how animals depend on specific trees. This week we will finish up this unit and students will choose one of the trees to write an information piece about.

We will finish Part 2 of Unit 5 on Monday and have our post-assessment on Tuesday. We will administer the pre-assessment for Part 3 and then begin teaching the final part of Unit 5.

It was great to see so many kindergarten families at Player's Retreat last week for our school Dine-In night. Thanks for your support!!

Picture Day - April 5

In this week's Tuesday folder, you should find 2 picture envelopes. Please note that one is for individual pictures and the other is for class pictures.

How can you help support us at home?

Please be sure you are doing the fluency activities (in your child's purple folder) with your child at least 3 times per week.

Work on sight words daily with your child!

Utilize the technology resources in your child's daily folder.

You should be reading with your child and letting your child read to you, daily.
