Mrs. Brann/Mrs. Coakley

March 27, 2017

In math we will continue to work on 1 more (+1) and this week we will be learning to learn about the concept of subtraction, or 1 less (-1). These are concepts that you can practice at home as well. For example: Hannah has 6 flowers. Sam has 1 more flower than Hannah. Draw 2 pictures to show how many flowers Hannah has and how many flowers Sam has. Winston the lab has 4 bones. Max the poodle has 1 less bone than Max. Draw 2 pictures to show how many bones Winston has and how many bones Max has. We will introduce number sentences (equations).

In writing we will continue to work on information writing.

Dates

4/1

- Fundraising Night at Chipotle

4/3

- 3rd Quarter PACK assembly

4/6

- 4th grade recorder concert
(6pm)

4/7

- Spring Individual and Class pictures
