K Graduation (9:30am)

Tuesday, June 11

Last day of school!

This week we finish our study of trees! Students will be writing about where they would like to plant a tree and give a reason to support their opinion.

In math, students will continue to work on word problems and various ways to solve the word problems. The benchmark group is using manipulatives, circle drawings and number paths. The enrichment group is using tens and ones and number lines to solve some, some went away and result known, 2 addends unknown word problems.

Hopefully you have noticed that less homework is coming home. This is because we want your child to be on KidsA-Z as much as possible.

End of year assessments will start on Monday. Please help us out by getting a good night's rest each night and utilizing KidsA-Z (reading the books and taking the comprehension quizzes) and reading with your child every day! Reading the words is only part of being a good reader. You must also comprehend what you are reading.

******Currently, each class has 1 parent signed up to help with Kindergarten Graduation. We need more volunteers. Let us know if you can help!******

Please let us know if your child will not be returning to Olds next year.

How can you help support us at home?

Please be sure you are doing the fluency activities (in your child's purple folder) with your child at least 3 times per week. ** Work on sight words daily with your child! ** Utilize the technology resources in your child's daily folder. ** You should be reading with your child and letting your child read to you, daily.
