

# Kindergarten News

Mrs. Brann/Mrs. Coakley

May 15, 2017

We had our math assessment last week for the last unit. This week we will be looking at teen numbers. Specifically we will focus on the fact that they are made up of a group of ten and some leftover ones. This is how we will learn to compose and decompose the teen numbers. We will also be practicing basic addition and subtraction facts.

Our last big unit for science is Animals. We will learn about how animals are the same and different, how they move, and other interesting facts.

End of the year mCLASS testing for reading has started!

## Dates

5/16

- Potluck in the Park at Isabella Cannon Park 6pm

5/18

- K/1 Musical Concert 6pm  
Students should be here by 5:45

5/19

## Field Day on Friday

Field Day is planned for Friday morning. We will be rotating through game stations from 9:30-11:30.

- Your child **MUST** have a **complete** change of clothes to participate in any activity that involves water. (undies, socks, shoes, shorts, and shirt)
- If your child wears a bathing suit, it must be covered up with clothes on top!
- Your child should come to school in clothes and shoes that can get wet.
- I encourage you to send a towel for your child.
- Send a bag to put your child's wet clothes in please.
- Coach needs more volunteers. Let him know if you can help!
