K End of Year
Celebration (12:30-2pm)

Tuesday, June 11

Last day of school!

In math, students will take the next unit pre-assessment on decomposing numbers. We will look at the pre-assessments to determine if students need to be grouped for this last unit. The unit will focus on decomposing numbers into tens and ones.

Hopefully you have noticed that less homework is coming home. This is because we want your child to be on KidsA-Z as much as possible.

If your child has a **summer birthday** and would like to celebrate with the class, please let us know. We think it is important for students with summer birthdays to have this opportunity with their friends.

We are beginning to plan for Kindergarten graduation. Please be sure to complete the RSVP (in the Tuesday folder), and return it in your child's folder as soon as possible. Thanks in advance for your prompt attention!!

Please let us know if your child will not be returning to Olds next year.

Thank you for all the cards, flowers, goodies and gifts for Teacher appreciation week!

Friday is Field Day!

Please be sure to send a **COMPLETE** extra change of clothes (underwear, socks, shoes, & clothes) with your child on Friday. If they do not have a **COMPLETE** change of clothes, they will NOT be able to participate in field day activities. **They will also need a towel and a water bottle.** If you want them to use sunscreen, it must be applied at home prior to coming to school. Email us with any questions.
