Mrs. Brann/Mrs. Coakley

May 22, 2017

Our last big unit for science is Animals. We will learn about how animals are the same and different, how they move, and other interesting facts.

Thanks so much for the class gifts for me, Ms. Coakley, and Mrs. Hannon. We appreciate all of your kindness!

Dates

5/29

- Holiday - NO SCHOOL!

5/30-6/1

- EOG testing for grades 3-5

6/1

- Fly Up Day
K students will visit 1st grade for an hour

6/8

- Kindergarten Graduation 9:30am in the gym

EOG Testing

Next week students in grades 3-5 will be taking EOG tests all over the building. Why is this important for us? Ms. Coakley will be helping with the testing so I will be the only one in the classroom. Students will not be allowed to go in the hallway during testing, which usually lasts all morning. This means that they can only use our bathroom and that they will not be able to go get water in the hall. **Please be sure that your child brings a water bottle from home each day next week.**

I would like to keep the routine as close to normal as possible so I plan on having literacy centers. If you are one of our weekly volunteers please plan on coming next week.

We also have to be super quiet in the classroom during testing. Please practice whispering at home this week.

Be on the lookout for an email to sign up to send in items for the reception after graduation. We need your help to make this a memorable event for everyone!
