Kindergarten Graduation

Please have your child dress in nice clothes for graduation. They will be **borrowing** graduation caps for the graduation that must be returned after the ceremony. **As a result, girls need to wear their hair down so that the cap will fit and stay on their head.**

Graduation will start at 9:30. It takes us from 8:30-9:30 to get everything in order and in line with caps on. **Please make sure your child is at school by 8:30!**

Have a wonderful summer!
